Reading: Rev. 22:12-21

God's Unending Story

I heard a loud voice from the throne, saying, "Now God's presence is with people, and He will live with them, and they will be His people. God himself will be with them and will be their God.
Revelations 21:3 NCV

Who can understand what God is doing? These days on Earth can seem so difficult: marred by conflict, saddened by separation. We fight, pollute, discriminate and kill. Societies suffer from innumerable fiefdoms, small would-be dynasties. ***What is this world coming to?*** We wonder.

God's answer: a Great Day,

On the Great Day, all of history will be consummated in Christ. He will assume his position "far above all rule and authority and power and dominion…..not only in this age but also in the one to come" (Ephesians 1:21 NASB) And He, the Author of it all, will close the book on this life and open the book to the next and begin to read to us from his unending story.
